Meeting conducted via email.

Financials

1. With all deposits and expenses, there is \$ \_\_\_\_\_ in the NHS bank account
2. Profit and Loss for all Events/Classes available in NHS Secretary's binder for anyone to view

NHS Meet-n-Greet

1. July 11<sup>th</sup> date may be too soon. **Thoughts?**
2. Sue suggested converting to more of a trade show format with local training and lesson barns and tack/feed store to set up tables so people could mingle and learn
3. Karen put together list of local barns (email sent to Board on 6/17) for event advertising
4. Current venue is Chuckwagon as it's located in Nokesville but not our first choice so will communicate with each other via email with alternate options. Mary will contact to check on availability
5. Sue Fanelli to create flyer and come up with mixer games for open conversation and interaction

NHS Sponsorship Signs **Status**

1. Board agreed on two (2) final signs for Nokesville Park and James Long Park
2. NHS Board is looking into removing "big lick" horse silhouette from society logo. Will replace with "gaited" horse. NHS does not support the methods or practices of big lick horses nor do we allow them at our shows
3. Sue to forward replacement gif to Karen who will talk to sign maker about substitution. Board must maintain control of logo once updated. If all goes smoothly, Board agreed to creation of sponsorship signs
4. Examples and final selection in NHS Secretary binder

NHS Barrells Logo Wraps **(Status?)**

1. Board agreed on wrap design for barrels which will be placed at Nokesville Park and James Long Park
2. As with item 2 above, waiting on update to logo then will proceed

NHS Trailer Inspection/Repairs/Canopy Replacement **(Status?)**

1. Per Keith Evans, canopy replacement would cost \$3000
2. Sue tasked with looking into alternate options and pricing - due to busy schedule, unable to complete in time to present during May meeting. Pushing out to June for discussion
